TERMS AND CONDITIONS

Customer and IN.gov, a service offered through the Indiana Office of Technology (“IOT”), enter into this Account Agreement (this “Agreement”) so that Customer may receive services and information via IN.gov pursuant to the terms and conditions set forth below. IOT may grant Customer online access from its computer terminals to certain Indiana online services and databases for a per-transaction fee that varies for each service and database.

01. SERVICES OFFERED. By entering into this Agreement, IN.gov will grant the Customer access to online services and databases that are considered Premium Services for which a per-transaction fee is charged. The currently available Premium Services and the corresponding fees can be found at **www.IN.gov/core/files/services.pdf**. Access is typically available seven (7) days a week, twenty-four (24) hours a day. Customer specifically acknowledges that such online internet access is subject to scheduled maintenance by IN.gov, and unforeseeable internet or system problems or power failures, which may result in the temporary inability to provide Premium Services.

02. CUSTOMER RESPONSIBILITIES.

a. Customer Contact. Customer shall designate a contact person (“Customer Contact”). The Customer Contact is the person authorized by Customer to (1) add and remove Users, (2) to notify IN.gov of any change to the person who the Customer identifies as the contact person to handle billing matters, and (3) receive notices and communications from IN.gov relative to this Agreement. The Customer Contact must notify IN.gov whenever any Customer User is removed from the Customer’s User list. The Customer shall immediately notify IN.gov of any change in the Customer Contact.

b. Users. Users are those employees or agents of Customer duly authorized by Customer to access Premium Services under this Agreement. Customer is unconditionally responsible for all Premium Service charges incurred by a User until IN.gov receives notice (either in writing or electronically) that a User is no longer authorized to access the Premium Services. Customer is responsible for ensuring that each User understands and complies with the Protection Against Misuse provisions set forth in section 05 of this Agreement.

c. Customer Billing Contact. Customer shall designate a person or representative who is responsible for all account payments and for billing inquiries. IN.gov will address all billing and invoice matters to the Billing Contact person. Customer shall immediately notify IN.gov of any change in the identity of the Customer’s Billing Contact.

03. CONDITIONS FOR USE OF PREMIUM SERVICES.

a. Protection of Usernames and Passwords: IN.gov will assign Usernames and passwords to Customer’s users. Customer acknowledges its responsibility and assumption of liability for maintaining and enforcing all necessary security procedures to control access, to preserve the confidentiality of, and to prevent unauthorized use of Usernames and passwords.

b. Per transaction charges for Premium Services: Customer acknowledges that there is a per-transaction charge for the Premium Services provided under this Agreement. Customer is solely responsible for becoming familiar with the charges associated with the services, which are subject to change. **The Premium Service charges are found at www.IN.gov/core/files/services.pdf**

c. Customer shall be responsible for all charges incurred by use of assigned Usernames and passwords. Customer shall pay for all charges for services accessed by its assigned Usernames and passwords, even if such use was not authorized by Customer. Customer shall immediately notify IN.gov if a Username and password should be disabled.

d. Bureau of Motor Vehicle records – Additional Agreement. This Agreement does not authorize Customer to access Bureau of Motor Vehicle driver’s license and vehicle registration and title records containing personal identifying information. If Customer wishes to access such information, Customer also must complete and submit the APPLICATION FOR ONLINE ACCESS OF BUREAU OF MOTOR VEHICLE RECORDS (DRIVERS PRIVACY PROTECTION ACT AGREEMENT) found at the end of this Agreement.

04. PAYMENT.

a. Customer shall pay an annual, non-refundable account fee of \$50.00 for access to the Premium Services. This fee, which is in addition to the per-transaction charges, will be billed annually on the anniversary date of this Agreement, and will not

Account Agreement

be refunded or pro-rated if this Agreement is terminated or cancelled mid-year. There is an additional \$50.00 annual non-refundable account fee charged for every additional increment of ten (10) users added to the IN.gov account whether one or all ten are requested. This additional account fee will be billed annually on the anniversary of the additional increment of ten (10) users being added to the account. *[Note: If this new form of Agreement is being signed by a current Customer on other than the annual anniversary date, the Customer's anniversary date will remain unchanged, and the annual fee will not be billed until that anniversary date.]*

b. Invoices will be prepared by IN.gov and sent to the Customer Billing Contact either online or by mail. Per-transaction charges will be in accordance with the current IN.gov Premium Services schedule, and will be subject to applicable sales and use taxes. Terms of invoice, payment is net twenty (20) days. If payment is declined for any reason, a \$25.00 insufficient funds fee may be charged to the IN.gov account and the payment option will be automatically changed to monthly invoice/statement option. All terms associated with the monthly invoice/statement option will be enforced.

i) If Customer has chosen the direct debit (ACH) payment option, IN.gov will notify the Customer's designated banking institution to deduct the billed amount from Customer's account. IN.gov may immediately terminate access to the Premium Services if the bank dishonors the ACH instructions.

ii) If Customer has chosen the credit card payment option, IN.gov shall submit the monthly invoice amount to Customer's designated Credit Card Company. IN.gov may immediately terminate access to the Premium Services if the credit card company does not accept a charge.

iii) If Customer has chosen the monthly invoice/statement option, IN.gov shall bill Customer monthly. A \$15.00 minimum monthly fee applies, but only if Customer used the Premium Services during the billing month and used less than \$15.00 in combined services and/or connect time during the month.

c. Details of Customer accounts are available online through Account Management services at <http://accounts.in.gov>

d. Past-due invoices are subject to a late payment penalty of one and one half percent (1.5%) per month of the amount in arrears, or the legal limit, whichever is less. Customer agrees to pay all costs of collection of delinquent accounts, including reasonable attorney's fees. Late payment may also result in termination of access to the Premium Services.

05. PROTECTION AGAINST MISUSE; CIVIL AND CRIMINAL PENALTIES.

a. Customer covenants that it will take all steps necessary to protect the confidentiality of its Usernames and passwords. Customer shall immediately inform IOT whenever the Customer no longer permits one (1) or more of its users to have access to the Premium Services provided pursuant to this Agreement.

b. Customer warrants and represents that it is aware of, and will comply with, all applicable federal and state laws and regulations regarding access to, or use of, any and all information, databases, programs, or other products to which access is provided by or through IN.gov. Customer acknowledges, for itself and on behalf of each of its Users that access to the Premium Services is given **only for purposes and uses permitted by law**. Misuse of the access granted pursuant to this Agreement may result in criminal violations of Ind. Code § 35-43-2-3 ("Computer Trespass"), of 18 U.S.C. § 2701 ("Unlawful Access to Stored Communications"), of 18 U.S.C. § 1001, et. seq. ("Computer Fraud and Abuse Act of 1986"), and of 15 U.S.C. § 1681 ("Fair Credit Reporting Act").

c. Should Customer or any of its Users obtain access to (1) any social security number not specifically authorized by Ind. Code 4-1-10-5, or (2) any Motor Vehicle Records personal information as defined in Ind. Code § 9-14-3.5-4 without having entered into a separate agreement for access to such records, or (3) discovers that personal information was or may have been acquired by an unauthorized person as is more fully set forth in Ind. Code § 24-4.9-3, Customer shall immediately notify IN.gov. Customer shall be responsible for paying the costs of all notices required to be given under federal or state law, such as Ind. Code § 4-1-10 and Ind. Code § 24-4.9-3.

06. MODIFICATION OR TERMINATION OF SERVICES BY IN.GOV. IN.gov shall be entitled to announce, online or in writing, changes to the network or databases, to the services provided, to prices, or other changes, which changes shall constitute modifications to this Agreement once announced. IN.gov reserves the right to withdraw any service or services without consulting Customer prior to withdrawing such service, and shall have no liability whatsoever to Customer in

Account Agreement

connection with deletion of any such service. IN.gov shall have the unilateral right to terminate this Agreement and Customer's access to the services for failure to pay for the services, upon learning of unauthorized use or the misuse of access by the Customer, or for any reason that IN.gov, in its sole discretion, determines is a misuse or abuse of the access granted hereunder.

07. TERM AND TERMINATION BY CUSTOMER. Conditioned upon Customer's compliance with the terms and conditions in this Agreement, and Customer's payment of the annual subscription fee and the transaction fees billed monthly this Agreement shall continue until (1) terminated by IN.gov; or (2) cancelled by Customer upon 30 days written notice to IN.gov as provided in paragraph 10(e), below. Customer shall remain liable for all transaction charges incurred through the effective date of termination. No refund of the annual subscription fee will be made if Customer terminates this Agreement during the year for which the fee was charged.

08. DISCLAIMER OF WARRANTY; LIMITATION OF LIABILITY.

a. IN.gov, the State, its agencies and other governmental entities providing Premium Services information strive for accuracy and completeness of the information furnished. However, Customer agrees that neither the State nor IN.gov make any warranty or representation, express or implied, as to the accuracy or completeness of the information obtained pursuant to this Agreement.

b. In no event shall the State, IN.gov, their respective officers, agents, or employees, be liable for special, indirect, incidental, or consequential damages, including, but not limited to, lost income or lost revenues, whether such damages arise out of breach of contract, negligence, strict liability, or any other theory of liability. Any and all damage to Customer is limited to the charges paid by Customer for the Premium Services in connection with which a claim is asserted. Recovery of such payments is Customer's sole and exclusive remedy under this Agreement.

c. The State and IN.gov will not be liable for any claim or demand of any nature or kind whether asserted against the State, IN.gov or against Customer by any third party, arising out of the services provided or pursuant to this Agreement. a. *Waiver:* The waiver, modification, or failure to insist on enforcement of any of these terms or conditions one or more times by IN.gov shall not void, waive, or modify any of the other terms or conditions in this Agreement, nor be construed as a waiver or relinquishment of IN.gov's right to require and enforce performance of any such term or terms in the future.

b. *Severability:* If any provision or part of this Agreement shall be declared illegal, void, or unenforceable, the remaining provisions shall continue in full force and effect.
